復康巴士乘客 — 於登車前接受體溫檢查

Body Temperature Checking before Boarding for Passengers of Rehabus

為保障個人和其他使用者健康及巴士車廂衛生，由 2020 年 8 月 1 日（星期六）起至另行通知，復康巴士車長會協助乘客於登車前量度體溫。詳細安排如下：

For the sake of personal and other users' health as well as hygiene inside bus compartment, body temperature of passenger of Rehabus would be measured by Bus Captain before boarding with effect from 1 August 2020 (Saturday) until further notice. Detailed arrangements are as follows:

1. 乘客體溫為攝氏 37.4 度或以下，可使用服務。

Passenger with the body temperature at 37.4°C or below could use our service.

2. 若乘客體溫為攝氏 37.5 度或以上，請留意以下安排：

Passenger with the body temperature at 37.5°C or above please pay attention to the following arrangements:

A. 暫不安排登車，須休息等候 2 分鐘後再量度體溫一次。

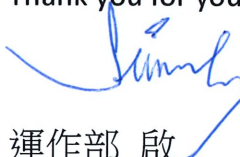

No boarding at the moment, affected passenger is advised to wait for 2 minutes for another body temperature check.

B. 若第二次量度時仍高於 37.5 度，有關乘客應立即前往就近診所求醫，取消用車。

If body temperature of affected passenger is still at 37.5°C or above at the second check, it is advised to consult doctor at the nearest clinic immediately. Trip should be cancelled.

敬請留意及配合，齊心共同抗疫！

Thank you for your attention and cooperation. Fighting the virus together!
